What are the two most significant issues facing ASHI in the next 12 months? How should each be handled?

Helping Members under the Covid 19 Pandemic stay a active part of ASHI. (No Member Loss Mentality)

Promoting the Mentorship program.
Helping Members move to the ACI membership status.

What qualities, skills and knowledge do you have that are pertinent to the office you are seeking?

I have been a Member for 22 years. Significant Involvement with both Chapter and National Committees and have held Chairs and a National Board and Officer Position.

Please comment on the current Strategic or work plan if one is available. What goals or visions do you have for ASHI that you would like to see become a part of the ASHI Strategic Plan? How do you see yourself facilitating their enactment and accomplishment? Some of my GOALS will include the following:

I will participate and promote the mentorship program.
Especially in licensed states that have a apprenticeship requirement needed for licensing.
I will mentor any Member as needed and show them benefits of moving up in ASHI as a Member and future leader.

Describe the two most significant contributions or accomplishments you personally made at both the Chapter and National level (be specific)

Chapter During my Presidency in my Chapter, We were having a Membership renewal concern. I called every Member to discuss concerns and their resistance to renew. Listened to their concerns. Within 2 weeks the members were renewing. Members want to be heard, feel like their voice matters.

National

As Membership Chair, I have found my voice. The BVI program has presented challenges to the committee that made me step out beyond my comfort zone. I took my position as Task force chair very seriously, handled Membership issues with

the utmost respect. Treated members that came before the Committee with due respect and integrity. Members that came before the Committee felt respected

I help develop and promote the Mentorship program as a Board Liaison. Along with John Wessling we were able to put together the first list of Members willing to Mentor other Members at a ASHI Chicago Leadership training event..

Please provide any additional information you think the Officer Nominating Committee should know about you.

When I joined ASHI, I got involved day one with my Chapter. (22 Years Ago)
I joined ASHI because they are the best!
My focus is always membership first.
I have high respect for the position and the Fiduciary responsibility of ASHI
I only have Membership in ASHI!
