What are the two most significant  
issues facing ASHI in the next 12  
months? How should each be  
handled?

How to maintain our membership and services throughout this virus pandemic that  
the world has and is facing. How we weather these struggles and assist our  
membership will determine how strong our society is.

We need to expand our method of doing business in order to assist our membership  
both in safety and better methods of creating today's updated business models.

What qualities, skills and  
knowledge do you have that are  
pertinent to the office you are  
seeking?

I have been in a leadership and teaching mode all my adult life. Being able to listen  
to ideas from others, be objective and and not become emotional when making  
business and membership decisions.

Please comment on the current  
Strategic or work plan if one is  
available. What goals or visions do  
you have for ASHI that you would  
like to see become a part of the  
ASHI Strategic Plan? How do you  
see yourself facilitating their  
enactment and accomplishment?  
Some of my GOALS will include  
the following:

The most important goal is to help unify our membership by positive  
communication.

Yes we have some existing plans and goals set forth by my predecessors who need  
to have their plans moved forward to completion.

Describe the two most significant  
contributions or accomplishments  
you personally made at both the  
Chapter and National level (be  
specific)

I was chairman of the Southeastern Home Inspectors conference for 13 year which  
gave us a financial security.

I lead a team that was able to get our ASHI Georgia membership up to 158  
members during my membership.

Please provide any additional  
information you think the Officer  
Nominating Committee should  
know about you.

From the day I joined ASHI and ASHI Georgia in 1999, I have served on  
committees, board of directors, and officer positions or where ever i was needed. I  
have volunteered my time and knowledge to try and help all of my professional  
colleagues in any form i could. Now that I have retired as an inspector, I feel that  
this leaves me with additional time to volunteer and teach, to help mover our  
Society forward both on a national and chapter level.

Please disclose whether or not you  
been admonished by the Board of  
Directors and/or have been found  
guilty of an ASHI complaint  
violation. Please also disclose

a criminal offense
